Basic First Aid

First aid refers to the emergency or immediate care provided when a person is injured or ill until full medical treatment is available. For minor conditions, first aid care may be enough. For serious problems, first aid care should be continued until more advanced care becomes available.

Downtown Street Advocate, George Murphy 236-597-3157

Downtown Kamloops has a new resource in helping to mitigate issues between businesses and those experiencing homelessness, compromised mental health and addictions. George Murphy is a trained social worker with The Mustard Seed and is trained in mitigation and de-escalation strategies. He will liaise with business operators to assist in urgent calls, provide clientele with information on programs and services, and educate operators on how to best resolve future incidents.
