

Request for Nominations for the KCBIA Board of Directors

Nominations are now open and close at 4:00 pm 1 week prior to Annual General Meeting.

The Kamloops Central Business Improvement Association (KCBIA) has a mandate to accurately represent all facets of our general membership. We encourage you to take a moment and determine whether you or someone you know has the desire to seek election to the Active Board of Directors.

Elections will occur during the Annual General Meeting in Spring 2023.

We require Directors in both the Property Owner and Tenant categories for a 2-year term.

Nominees must represent either a business or a commercial property owner within the KCBIA area, which is a member in good standing. Nominees must consent to be nominated.

As a member of the Active Board of Directors of the KCBIA, expectations include:

- Support the mandate and strategic direction for the KCBIA.
- A desire to be actively involved in your downtown community.
- Attend and contribute during Board of Directors meetings.
- Attend functions sponsored by the KCBIA from time to time.
- Available to participate on an advisory committee, task force or an existing community committee.
- Executive Director and President are media spokespersons for the KCBIA, but you will be responsible for representing the BIA when speaking to members.
- Volunteering and recruiting volunteers for downtown events.
- Respond to emails from KCBIA staff regarding meetings and opinions on current issues.

Are you willing and have the time to get involved?

Would you like to nominate someone from the existing board?
